To learn more about the 2012 **BARK**itecture event, contact the
Housing and Building Association of Northwestern Colorado at 970.245.0253.

BARKitecture is a unique, unusual and fun architectural competition where the area's top builders are challenged to build a stylistic and functional abode for our animal friends. Profits from this event will go to a local non-profit organization.

These fabulous creations will be displayed at the **2012 Home Improvement and Remodeling Expo**, a three-day trade show for home improvement and remodeling. The dog house will be awarded to the highest bidder during the auction. The auction will close at 3:00 p.m. on Sunday, March 4th.
